

Request for Council Action

Originator Legal	Item Approval of Lease of City Right-of-Way to Walser Buick GMC
Agenda Section Consent	Date 6/2/2014

Description

Walser Buick GMC currently leases the east half of the Nord Avenue right-of-way from the City for vehicle storage and site circulation on their sales lot. That lease expires on December 31, 2019. Walser is in need of additional space for vehicle storage and has requested to lease the west half of the Nord Avenue right-of-way. Olive Garden has an interest in the west half of that right-of-way, and has given consent to the lease between the City and Walser. Walser has executed a second lease from the City of that west portion of the right-of-way, set to expire concurrent with the existing lease.

Requested Action
